

DID YOU KNOW?

There are **NEW** Colored Tennis Balls in Stores

Now the Game is **Easier to Learn, Easier to Play** and **Fun for Everyone!**

- Slower, softer bouncing balls
- Balls are in play longer
- Different skill levels can play together
- Great for new players at any age
- Ideal for youth tennis, adult mixers, workout sessions, Cardio Tennis, drills, and more

RED BALL: Either felt or foam, these balls move slower, bounce lower and travel less distance than the orange ball.

ORANGE BALL: These balls move a little faster and travel a little farther than the red ball, but still bounce lower than the green ball.

GREEN BALL: These balls move faster and travel farther than the orange ball, but have a slightly reduced bounce from the yellow ball.

Find them at a tennis retailer near you!
